The Wildcats had it all!

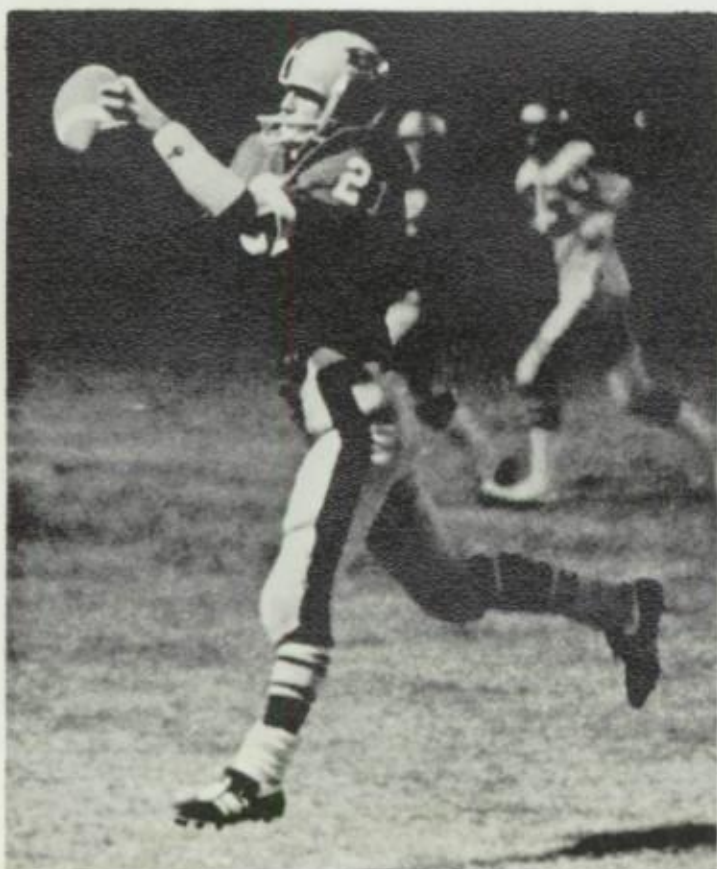

Records are
To be broken
As so the varsity
Football team set out
With this in mind.
The seniors were especially
Eager to reverse the
Losing trend, and that
They did.
A total team effort
Did the trick
As the Defense allowed
Only 63 points all season
While the offensive unit
Made touchdowns like
They were going out of style.
Rusty Garcia threw
The passes and Kevin Orff
And Ross Dickerson
Were there to catch them,
While Ken Robinson
Drove the defense wild
With his smooth running.

JV and Frosh look to future

With only 2 returning cagers,
The varsity basketball team was to
Depend heavily on recruits from
Both the JV and frosh levels in
The coming year.

Thus a building process was necessary
For coaches, Jim Weaver and Jeffrey Hearn.

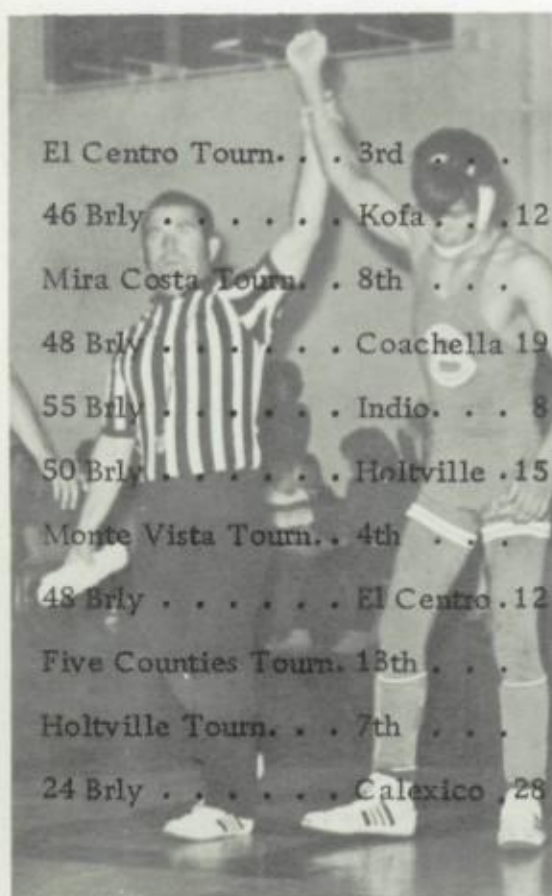

JV ended the season better than
They began it as they tied
El Centro for first place.

One of the two returning
Varsity players, Alan Drew,
Began the season with JV and
Worked up to varsity.

The freshmen directed their efforts to
Gaining experience and playing time
To aid them in their bid for a
Place on the JV or Varsity team.

DVL eludes grapplers

Calexico played the role of spoiler
This year, as a four point advantage
Gave the Bulldogs a DVL championship
A strong Wildcat team felled
Records right and left as
Standouts Steve Wills and
Sergio Gallardo accumulated
More than 30 wins apiece, with
Over half being pins
With the records backing them
Both went on to CIF and were
Expected to do well
Looking ahead to 1975, Coach
Dave Kreider foresaw another
Strong team with which to challenge
Calexico and other Valley grapplers

Shortages hamper efficiency

Among the many
Vital personnel
Here at BUHS
The cooks and
Custodians stand apart
As being especially important.

Snack bar serve over
2500 students each day
And with the high costs
Of food these days
Lunch prices
Stayed remarkably low.
As prices increased
So did the trash problem
Here on campus.

A black and white photograph of a landscape. In the foreground, there is a light-colored, sandy or dirt path that curves from the bottom left towards the right. To the right of the path, there are some low-lying bushes. In the middle ground, there are several large, mature trees with dense foliage. The trees are mostly deciduous, with some showing signs of autumn or winter. The background is filled with more trees and foliage, creating a sense of a wooded area. The overall tone is somber and reflective.
